The above individuals have been trained and accredited by the Canadian Amateur Wrestling Association as Competition-Introduction Master Learning Facilitators for the sport of wrestling.

These individuals, in conjunction with their provincial wrestling associations, are accredited to select and train qualified people to become Competition-Introduction Learning Facilitators in their province as needed to meet the coach demand for training. The above individuals are also accredited to deliver Competition-Introduction Part A and Part B wrestling coach workshops.

Coaches who require training in the Competition-Introduction wrestling context are directed to contact the closest Master Learning Facilitator listed above or their provincial wrestling association in order to find out when Competition-Introduction Part A and Part B wrestling workshops are scheduled in the province.
